*York Certified Comfort Expert™*

***Long Story Short: You Can Depend On York.***

York has not only designed heating and cooling systems for commonly visited places like your local mall and corner bank, but also for some of the world's most famous structures, including the U.S. Capitol and the Taj Mahal.

In fact, York has been at it for 130 years, constantly leading the industry in design and technology. That commitment has earned York products the Good Housekeeping Seal of Approval.

And now, that reputation extends to York Certified Comfort Expert Dealers. When you see the Certified Comfort Expert designation, you know you're working with someone who's at the top of the profession—someone who will work with you to keep your home comfortable. Guaranteed.

***Your Home Comfort System  
Is Only As Good As Your Dealer.***

When you purchase a new heating or cooling system, you're investing in the equipment and in the dealer who installs it. You're depending on them to be professional, reliable and responsive, now and in the future. York Certified Comfort Expert Dealers are backed by York, a company that has represented quality for over a century. They're also part of a national network of certified technicians and have proven records of success. York Certified Comfort Expert Dealers are dedicated to your comfort in more ways than one—and it shows in every little thing they do, every time you call.

***Certified Experts: Don't Settle For Less.***

York Certified Comfort Expert Dealers employ NATE-certified technicians—an industry-recognized, third-party designation of excellence. What does this mean to you? A trained expert is at your disposal. They install only premium-quality equipment and participate in ongoing training on new technologies. Most importantly, York Certified Comfort Expert Dealers back every installation with a 100% Satisfaction Money Back Guarantee. If you're not happy for any reason, they'll make things right. Which makes them the right choice for thousands of satisfied customers each year.
